MAIN OFFICE NEW LOCATION:
4301 Cherry Road in West Palm Beach

In May 2024, the Palm Beach County Supervisor of Elections moved its Main Office to 4301 Cherry Road in West Palm Beach. Consolidating the Main Office with the Voting Equipment Center (previously located in Riviera Beach), the new location ensures a more efficient and secure election process.

INCREASED TRANSPARENCY

We have larger public spaces for voter services, new technology to improve public viewing of the ballot canvassing and tabulation processes, and award-winning outreach initiatives that keep the public informed and the election process accessible.

ENHANCED SECURITY

We use the latest technology to protect voter information, secure voting equipment, and uphold the integrity of the election process. Our partnership with law enforcement agencies and cybersecurity experts keep our elections secure from bad actors, foreign or domestic.

IMPROVED EFFICIENCIES

With our Main Office and our Voting Equipment Center under one roof, we can more efficiently distribute voting equipment, election materials, and deploy election workers to polling locations countywide.

REDUCED COSTS

Integrated operations provide best-in-class service, while cutting maintenance and administrative costs.
